ABOUT US

We bring the world's harvest *to the region's markets.*

Atlas Nuts International Trade is a Mersin-based trading company connecting the world's leading growing regions for nuts, dried fruit and green coffee with wholesalers and manufacturers across the Middle East, North Africa and Türkiye.

OUR VISION

To be the first supply partner that comes to mind for quality and reliability in the nut and dried-fruit trade of the Middle East and North Africa, and to make Mersin the regional hub of this trade.

OUR MISSION

To select the world's finest harvests at source, supply them in line with international quality and food-safety standards, and deliver the right product to our customers at the right price, on time.

Trust sits at the centre of our business: fidelity to the specification written into the contract, transparent communication and on-time shipment. With every customer we aim not for a single sale, but for a partnership that lasts season after season.
